

Let's Play Ball!

Be a part of the Bambino Buddy Ball Program at the Vincennes Cub League

Bambino Buddy Ball is for players, boys and girls, ages 5 to 20, who have special needs. Each Buddy Ball player receives a team T-shirt, hat and a drink after each game. More importantly, the player will have a "buddy" to help throw, catch, run and hit if needed.

Games begin in late May. All games will be played at the Vincennes Cub League Complex on South 15th Street in Vincennes.

The number of teams and games will not be determined until we have the registrations complete. The Bambino Buddy Ball program will be designed so that everyone is given the opportunity to have FUN!

For more information contact Shannon Pepmeier at 812-890-0782, Leanne Sievers at 886-9239 (evening), or Matt Minderman 886-4312 (daytime).

Please complete the registration form below and mail it by *Wednesday, May 26th*, using the enclosed envelope to the address below or bring it to the Civitan Children's Center at St. Clair Street & Washington Avenue in Vincennes.
